## California Coastal Resilience Network Fall 2017 Webinars

The California Coastal Resilience Network will be hosting a series of webinars this fall focusing on adaptation and planning. Click the links below for more information on the four webinars taking place between October 18th and December 12th.

- **10/18:** [State-led Adaptation Initiatives](#)
- **10/26:** [Promoting Socio-Ecological Resilience through Coastal Adaptation – A case study from Tabasco, Mexico](#)
- **11/15:** [Engaging Marginalized Groups in Coastal Planning – A focus on South Oxnard Community @ Ormond Beach](#)
- **12/12:** [Case Studies of Natural Infrastructure for Coastal Adaptation](#)

The first of these will take place **TODAY at 12pm PST** featuring presentations from Governor's Office of Planning and Research, Climate Readiness Institute, and the California Ocean Protection Council. If you are unable to join, please note **webinar recordings are available on the [Network Video Library](#)** for easy

viewing any time of day.

## September CCE Panel

We hosted our final 2017 Compact meeting featuring a panel focused on Community Choice Energy with panelists from a group of diverse California CCEs: [Silicon Valley Clean Energy](#) (SVCE), [CleanPowerSF](#) (CPSF), [Marin Clean Energy](#) (MCE), and [East Bay Community Energy](#) (EBCE).

This panel focused on enrollment, complementary programs, program planning, education and outreach, development, lessons learned, and best practices. Presentations provided valuable insights to answer questions and concerns as the region takes steps in supporting our own community's budding CCE, [Monterey Bay Community Power](#).

Thank you to our panelists: J.R. Killigrew (MCE), Byron Pakter (Optony/EBCE), Pamela Leonard (SVCE), and Julia Allman (CPSF) for sharing your expertise.

To view the presentations, click the links below:

- [Marin Clean Energy](#)
- [East Bay Community Energy](#)
- [Silicon Valley Clean Energy](#)
- [CleanPowerSF](#)

## Thanks to Compact Presenters

We would like to extend our deepest gratitude to all presenters, panelists, and attendees who contributed to the Compact meetings and webinar this year. Your support and knowledge have been invaluable - Thank you!

If you are interested in presenting or would like to recommend a topic for a future meeting, please contact Kelsey Zito (Albers) at [kelsey@emergingecologies.com](mailto:kelsey@emergingecologies.com)

## Upcoming Compact Webinar - Save the Date

This December, the Compact will host a webinar in collaboration with the [Monterey Bay National Marine Sanctuary](#) (MBNMS). This webinar will focus on carbon farming, which has been a primary focus of both the Compact and MBNMS this last year, specifically to establish a regional demonstration site for a carbon farm(s) and to develop the region's first carbon farm plan.

Please save the date for **December 6, 2017**. Additional details are being finalized. Keep your eyes out for a detailed announcement to be distributed in November.
