Global Climate Action Summit

On **September 12th-14th**, in San Francisco, the [Global Climate Action Summit](#) will bring leaders and people together to celebrate the achievements of states, regions, cities, companies, investors, and citizens with respect to climate action. This event will serve as a launchpad for deeper worldwide commitments and accelerated action from countries that can put the globe on track to prevent dangerous climate change and realize the Paris Agreement. The Global Climate Action Summit is happening midway between Paris 2015 and 2020 to provide confidence to governments to trigger this next level of ambition.

Save the Date - Monterey Bay Community Power "Know Your Rates 101" Webinar

On **Monday, September 10th**, join the Compact's Intergovernmental Committee for a special webinar presentation in lieu of the Committee's regular

meeting.

Moderated by Committee lead

Dr. Tiffany Wise-West, the Compact is teaming up with [Monterey Bay Community Power](#) (MBCP) to deliver this informative webinar. MBCP staff will be conducting a "Know your Rates 101" webinar, which will include tips on how to read your bill, interpret your electricity rates, and will act as an introduction to optimizing your municipal electricity accounts. All are welcome to attend.
